

Because Of Him [Lyrics, 72 bpm, 4/4]

[Default Arrangement] by Cerrie Tinga-Love

V, C, V, C

Verse 1

When God above looked down in love what did He see?
A human race, lost in sin and misery,
He needed one to overcome this tragedy,
To bring mankind back to Himself, including me.

Chorus

Lifted on high for all to see,
He sent His Son to set me free,
And one day soon, He'll come back for me,
Because of Him, I'll live again, with Him to reign,
Because of Him.

Verse 2

And since that day He came my way to rescue me,
He's been my strength, throughout each day and forever will be,
The Faithful One, God's chosen Son wants you to see,
He bled and died, to bring you back into His family.
